ScienceScholar

**ScienceScholar (SS)** Journals is a non-profit international scientific association of distinguished scholars engaged in Health Sciences, Physical Sciences and Engineering, Life Sciences, Social Sciences, and Humanities devoted to promoting researches field through digital technology. UTM is a fast growing university that aims to benefit the world, as much as possible, via technological innovations. The mission of SS is to encourage and conduct collaborative research in “state of the art” methodologies and technologies within its areas of expertise.

UTM publishes high-quality reputation international journals. Four journals are covered by UTM Publication, those are:

1. International Journal of Health Sciences (IJHS)
2. International Journal of Life Sciences (IJLS)
3. International Journal of Physical Sciences and Engineering (IJPSE)
4. International Journal of Social Sciences and Humanities (IJSSH)

It as well as will organizes multidisciplinary conferences and workshop for academics and professionals and to get sponsors for supporting the activities. In addition, SS is involved in many international projects and welcomes collaborative work. The SS members include research excellent scientists, engineers, scholars, research, and development center heads, faculty deans, department heads, professors, university postgraduate engineering and science students, experienced hardware and software development directors, managers and engineers, linguist, management, etc.

SS is a large publishing of articles database of peer-reviewed literature: scientific research, books, and conference proceedings. Delivering a comprehensive overview of the world's research output in the fields of science, technology, medicine, social sciences, and arts and humanities, SS membership and service features is smart tools to track, analyze and visualize research. As research becomes increasingly global, interdisciplinary and collaborative, you can make sure that critical research from around the world is not missed when you choose SS journals that reliable field to publish your paper.
